(NA) Not available.

Standard Notes: - Represents zero. (D) Withheld to avoid disclosing figures for individual companies.
(X) Not applicable. (Z) Less than one-half of the unit of measure specified.
n.e.c. Not elsewhere classified.

- ¹The figures for residual fuel oil are included with those for distillate fuel oil.
- ²The cost of gasoline purchased is included in the cost of other purchased fuels.
- ³The cost of coal purchased in the oil and gas extraction industries is included with the cost of other purchased fuels.
